

Andrea (Andi) K. Frimmer, M.Ed.

Andi Frimmer founded Prep4CollegeNow to help students identify and successfully prepare for admission to the college of their choice.

Prep4CollegeNow has over 95% student acceptance rate to one of the students' top three college choices.

The custom-tailored program helps your son or daughter create an outstanding high-school performance portfolio and a competitive acumen for applying and interviewing in concert with a particular college's specific admission requirements.

Andi Frimmer brings over 30 years teaching experience to her College Admission Counseling service.

To find out how Andi can help you, contact her at:

“Prep4CollegeNow has helped me to create a superior college portfolio and navigate the college application and admission process with ease. I have been accepted into my #1 college choice. This help was invaluable and I highly endorse this service.”

– Savannah S.

Beyond the Classroom

The Prep4College Now Program

Everything counts! From 9th grade to graduation everything students accomplish contributes towards their college admission.

- **Open** the door to your child's future
- **Drive** your teen's high school career to their ideal college acceptance
- **Invest** the time before the application process starts
- **Ensure** your teenager's acceptance into his or her college of choice

How We Work

- Free consult for all students in grades 8-12
- Create a customized plan to ensure your student's successful transition from high school to college
- Assess your student's career goals and identify the right colleges and universities
- **Get your kid into college!**

Call or email today for your complimentary consultation:
